

LOUISIANA TRUST
for HISTORIC PRESERVATION

Louisiana Trust for Historic Preservation 2022 Mini-Rambles & Better Boards Workshop Sponsorship Opportunities

Connecting your business or organization to Louisiana's preservation efforts is simple with the Louisiana Trust for Historic Preservation's 2022 Sponsorship Opportunities! You can advertise your company through upcoming May 2022 events and programs.

This May, LTHP will host 3 new events, two mini-Ramble tours and a Better Boards Training Workshop.

The **two Mini-Rambles** will be condensed versions of our traditional tour featuring various historic places throughout **Union Parish** (Farmerville & Marion) and sacred spaces in **Downtown Baton Rouge**. Both events will take place **Saturday May 7** from 10-12:30. Several tour sites are rarely open to the public as part of this "open house" tour. Later that month, a 1.5 day **Better Boards Training Workshop** (held at Red Stick Social in Baton Rouge) will take place **May 20-21** to equip non-profit boards with the skills and insights to be successful and impactful organizations. In addition to these programs, our **annual "State of Preservation" publication** will be printed this Spring highlight this year's Most Endangered Places, Awardees, and other news from across the state. Over 800 copies were printed in 2021.

We look forward to bringing these unique tours, events, and publications to your area in the upcoming months. Your support enables successful tour experiences and also helps promote your local business. Sponsorship includes advertising to over 100 attendees and thousands via digital and print media. Sponsors received tickets to enjoy the tour and workshop. Attendees come from all corners of Louisiana and neighboring states to experience our history.

May 2022 Event Sponsorship Commitment Form
