

LOUISIANA TRUST
for HISTORIC PRESERVATION

2022 Fall Ramble & Educational Programs

Connecting your business or organization to Louisiana's preservation efforts is simple with the Louisiana Trust for Historic Preservation's 2022 Sponsorship Opportunities! You can advertise your company through upcoming events and programs.

The **Fall 2022 Ramble** will visit the historic community of **Columbia and Caldwell Parish** on Saturday October 22, 2022. Several tour sites are rarely open to the public as part of this "open house" tour. This event will also include a presentation of the **2022 Preservation Award Winners** during the Ramble lunch. A sample of tour sites include the Graves Homestead, Schepis Museum, Martin Home Place, and several others. *Other programs this fall include a cemetery cleaning workshop and other social gatherings.* Also, new this year will be a series of **6 webinars** for the chance to "ask the expert" on different materials and renovation solutions.

We look forward to bringing these unique tours, events, and programs to your area in the upcoming months. Your support enables successful tour experiences and also helps promote your local business. Sponsorship includes direct advertising to the full LTHP membership and thousands via digital and print media. Sponsors received tickets to enjoy the tour and programs. Attendees come from all corners of Louisiana and neighboring states to experience our history.

Fall 2022 Event Sponsorship Commitment Form
